The Ultimate Cozy Haven on a 1/2 acre lot in a quiet area that is a 10 min walk to the Village or the Ferry and the best value for a home on Gabriola. This 725 sq ft home was built in 2017 & includes a heat pump, wood-stove & back-up generator. There is a large private area, 2 driveways, tons of parking, a semi-professional greenhouse, fenced garden, state of the art septic, superb well & its all low maintenance. A recent addition of an 8x12 guest bunkie/studio, complete with power gives you a bit more elbow room and the 20' Sea-can holds tools, Christmas decorations, bikes, kayaks or whatever. The RV parking with it's own driveway & parking area includes water, septic and power hook-ups. The private outdoor patio with a clawfoot tub... just wow! What a deluxe addition & totally private.

Everything is newer and well maintained so you can live here problem-free. Video and floor plans online. What an opportunity to move to Gabriola Island! All measurements are considered approximate & should be verified if important. (id:13505)
